

Sponsorship & Scholarship Options

January 2025

Your Town Alabama appreciates your consideration of support. For over 20 years, we have run an effective and efficient organization that has positively impacted over 1,000 participants from all of Alabama. With your support, we will continue to deliver technical assistance and reveal opportunities for small, rural, or underserved communities. We will show them how to thrive using design and planning to:

- Build on those things that make it unique and viable.
- Solve problems in the context of a bigger idea.
- Remember our heritage and use it as a foundation for growth.
- Inspire our youth to stay or come home and be part of the community.

We proudly provide a Scholarship Program that allows individuals from a wide variety of communities to attend the workshop. It is a simple, needs-based application that recognizes the limited resources of these communities. They are generally provided on a first-come, first-serve basis, but individuals or communities may be designated by a Sponsor up to 30 days ahead of the workshop.

Please visit www.yourtownalabama.org to make a donation or email info@yourtownalabama.org for more information about sponsorship or the Scholarship Program.
